Ivory Consulting Corporation Welcomes New Customers in 2020

Ivory Consulting Licensed SuperTRUMP and Portfolio Intelligence to Five New Customers in 2020

(WALNUT CREEK, CA- December 16, 2020) – Ivory Consulting Corporation, the leading provider of equipment lease and loan software, is pleased to announce that SuperTRUMP, its flagship product and the proven solution for modeling and pricing complex leases and loans, along with its business intelligence product, Portfolio Intelligence, have been selected by five asset finance businesses in 2020.

In addition to welcoming these five new customers, Ivory Consulting increased its already extensive support of its existing customers by assisting them in navigating the changes and disruptions caused by the pandemic as well as in the upcoming adoption of the SOFR interest rate. Ivory Consulting continued to execute many software customization projects designed to give its customers the ability to use SuperTRUMP in a way that is exactly tailored to their business model.

“During 2020, we welcomed five new customers, representing a breadth of industries, to our growing family of users of SuperTRUMP for Salesforce, SuperTRUMP and Portfolio Intelligence,” said Scott Thacker, CEO, Ivory Consulting. “In a year that nobody could have seen coming, SuperTRUMP serviced many of the lease and loan modification requests our customers received across a wide range of asset types. On behalf of the entire Ivory Consulting team, we thank our customers for the trust they continue to place in us.”

For additional information regarding lease and loan modifications or support in transitioning from LIBOR to SOFR, please contact sales@ivorycc.com.
