## Fast. Accurate. Efficient.

SuperTRUMP Desktop makes modeling and pricing sophisticated leases and loans simple.

Profit from powerful, accurate pricing by performing a broad spectrum of financial analysis with data that's consistent across your organization.

Rely on SuperTRUMP Desktop to utilize up-to-date accounting and tax rules.

Customize your version of SuperTRUMP Desktop to meet your business needs and integrate with your other software applications.

## Eliminate Spreadsheets

Home-grown pricing spreadsheets can be easily migrated into SuperTRUMP Desktop to give you the ability to price without the fear of errors inherent in using spreadsheets.

Quotes prepared using SuperTRUMP Desktop can be saved to a common database, giving anyone in your organization access to data that is not easily available when using spreadsheets.

## Industry Specific Reports

SuperTRUMP Desktop provides over 350 reports specifically created for the equipment finance industry.

Data and metrics derived from SuperTRUMP Desktop reporting tools give you a complete view of your transactions.

## Price a Full Range of Transactions

Generate accurate pricing for any transaction — a straightforward loan, a highly structured lease, or a renewable energy deal.

SuperTRUMP accounts for a full range of fees, subsidies and recurring items while automatically loading any cost of funds and expenses.
