

CUSTOMERS THAT
TRUST US

Fast. Easy. Integrated.

SuperTRUMP EXPRESS for Salesforce quickly and accurately prices pretax leases and loans using customer data, transaction history and standard Salesforce workflow & reporting.

Achieve quoting and processing efficiencies by using SuperTRUMP EXPRESS in Salesforce — one access point and no transferring of data.

Profit from the Salesforce ecosystem with SuperTRUMP EXPRESS for Salesforce's integration with other applications, such as Conga Composer for document management.

Benefit from instant visibility into pipeline opportunities, previously issued pricing quotes and executed transactions — all stored in Salesforce.

More Deals and Better Deals

Fast, intuitive and collaborative — get more deals through your pipeline with a higher degree of accuracy.

Removes human error by eliminating calculators and manual data entry — everything you need is in Salesforce.

Easy Adoption

An intuitive user interface combined with Salesforce workflows and reports make using SuperTRUMP EXPRESS for Salesforce easy to use for everyone.

Free online training videos and minimal implementation requirements have you up and running quickly.

Fast Quoting

Access complete information about a customer, their history and risk profile, all while preparing a lease or loan quote.

Using Salesforce1, accurately price a lease or loan during a sales conversation.
